All vaccines are the sacred cow of Big Pharma and the government. Nobody is allowed to say anything bad about any vaccines (in the very least, Big Pharma & the government are not allowed to). Even Trump - in that press conference - was bragging about how fast he got the covid vaccines on the market. He obviously has no incentive to talk bad about the

Interesting! Everyone detoxes mercury at a different rate (and thus has a different chance of getting Autism) I thought this detox rate was a genetic thing, but, perhaps it is because of Acetaminophen damage to the liver as well!?! A summary of how the liver detoxifies mercury: "The liver plays a central role in mercury detoxification, primarily through its
